It's time to get back on the road
Saddle up saddle up get ready to go
I've got a silly idea, I wanna do something weird
I've got a donkey we can ride
I've got a suitcase full of sparkling wine
I wanna have some fun before we go over the hill
I know there is a big scary
World out there just waiting for me
And it's time for us to saddle up
All I wanna do is settle down settle down and find my
tune
Somewhere nice and quiet where I could show
vegetables
I might not be a success
But if I make you happy I guess
That's more than I ever could have hoped for
I know there is a big scary
World out there just waiting for me
And it's time for us to saddle up
I know there is a big scary
World out there just waiting for me
And I didn't want to grow up
But I was just so afraid of
Being left behind by everyone
