

The Boy Least Likely To "Stringing Up Conkers"

Visit "[Stringing Up Conkers](#)" on MotoLyrics.com

I sit around in my pyjamas
Eating pear drops and stringing up conkers
And if I want to feel something I stick pencils up my
nose
I just want to change the world in whatever little way I
can
I feel too fat to go to the gym so I sit at home and watch
keep fit videos
Sometimes I feel like I'm banging my head against a
brick wall
But I just want to change the world in whatever little
way I can
Way I can
Way I can
Way I can
There is no point to doing anything at all
But I still want to change the world in whatever little way
I can
