Something grew out of nothing at all
The way things sometimes do
It grew so big that before I knew it
It had outgrown me and you
I am the boy with two hearts
I am the boy with two hearts
And there is only so far
I can be stretched before I come apart
I know I'm not much fun to be with
But you love me all the same
And some day hopefully I can just go back to being
myself again
I am the boy with two hearts
I am the boy with two hearts
And there is only so far
I can be stretched before I come apart
I am the boy with two hearts
I am the boy with two hearts
And there is only so far
I can be stretched before I come apart
