

## **The Boy Least Likely To "The First Snowflake"**

It was the first  
Snowflake to fall  
Before the storm  
No one noticed  
It as it fell  
All by itself  
It wasn't long before it  
Began to melt

It felt special  
All on its own  
Out in the cold  
But when all of  
The other snowflakes  
Began to fall

The little snowflake just became  
Lost in the storm  
And suddenly it didn't feel  
Special at all

Snow kept falling  
But no two snowflakes  
Are ever the same  
Each one is special in its  
Own little way  
And that first little snowflake is still  
Special to me
