TRANSCRIBER'S NOTE:

represents number of drumstick strikes on a metal triangle

Oh, well I met a little girl about a week ago
And I felt that I oughta let her know
Since then my heart has broke the string
It goes ding-dong, ding-dong, da-ding-dong, ding-dong-ding

My heart goes ding-dong-ding when I'm near you
It goes ding-dong-ding 'cause I want you
It goes ding-dong-ding 'cause I need you
It goes ding-dong

ding-dong

Well, you know I love you, love you. little girl
And if you'll only kiss me it will give me the world
All around my heart where the feeling is
Because ding-dong, ding-dong, da-ding-dong, ding-dong-ding

My heart goes ding-dong-ding 'cause I want you
It goes ding-dong-ding 'cause I need you
It goes ding-dong-ding 'cause I want you
It goes ding-dong

ding-dong

{instrumental break}

Now, don't be afraid of me, little girl

'cause I love you more than the whole wide world
You know I wouldn't harm a pretty, beautiful thing
Because-a-ding-dong, ding-dong, da-ding-dong, ding-
dong-ding

My heart goes ding-dong-ding when I'm near you
It goes ding-dong-ding 'cause I want you
It goes ding-dong-ding 'cause I need you
It goes ding-dong

(SPOKEN: "Try it again") ding-dong

(SPOKEN: "one more time")

ding-dong, ding-dong, da-ding-dong, ding-dong-ding
(SPOKEN: Hey!)
