Bang Bang
I Shot You Down, Bang Bang
You Hit The Ground, Bang Bang
That Awefull Sound, Bang Bang
I Used To Shoot You Down

Young Buck:
Don't Nobody want to Die, But Everybody want to Ball
Somebody Gotta Go, When Them Killa's Call
You Know It's In Us All, You Just Gotta Find It And Use It
You Can Get Away With It, If You Don't Abuse It
The Streets Talk, The Beats Mark, 'cause That Heat
Comin'
And If They Know That You Did It, You Better Keep
Runnin'
I Think I See Sumthin, There Go My Enemy
Only Lord Knows Where This ***** F'nd To Be
Tennakee, Still The Price Is As Real If You Look It
Might Give It To You For 5, Depend On If I Took It
***** Anything Goes, My Shop Never Close
From The Nickels And The Dimes To The Whole Kilo
The Real *****s Feel Me, The Haters want to Kill Me
But I'm Holdin' Down My City, Me And This 9 Milli
While Your Throwin' Bricks, And Hidin' Ya Heads
Homie, I Know Where You Hang
Ain't No Thang To Walk Up And Let That Chopper Go...

Bang Bang
I Shot You Down, Bang Bang
You Hit The Ground, Bang Bang

Young Buck:
Now All The Gangsta's Pray
Lord, Forgive Me
But He Tried To Kill Me
Somebody Out There Gotta Feel Me
Lord, Forgive Me
But He Tried To Kill Me

Somebody Out There Gotta Feel Me

Just Think If I Ain't Empty The Clip, And He Killed Me
Would I Still Be Livin'?, Would My Homeboy's Miss Me?
How Many *****s Bust They Gun When They Have To?
Don't Need No Ski Mask When It's Time To Get At You
I'm Glad You Done Seen What It Look Like When We
Left

Brain Fragments From Shot-Gun Blasts'll Take A *****
Breathe

It's Death Before Dishonesty, Dope Deals And Robbery
Poppa Wasn't Around, But That ***** Didn't Bother Me
I'd Probably Be In The Penitentiary
But I Played The Cards, The Dead Lord Sent To Me
The Whole Truth, I Use This Booth To Speak To My Thug
*****s

Why You Mad At Me? The Government's The Drug
Dealers

Before I Let This Police Kid Harass Me
This Rookie *** Cop Gon' Have To Blast Me
He Asked Me For Identification, I Looked At Him And
Laughed
He Made A Move And I Heard A Blast
that's What You Get, *****
