(Lloyd Banks)

This rap shit plays a major part in my life
She looked for jack but realize that i got the ride
Well send a muthafucker at ya tonight

G-Unit

And i aint sleepin till my click pop em
swimmin in bowls of money
Micheal walking around with a head em
cause it's Charley mc dummy it's funny
niggaz go ravving see you suffering, hungry
I'm Co-D as well skating with enough of niggaz money

Why you ass of
you know you ain't that tough
I'm pulling your mask off
As soon as you act up
You know what i came for
A peace of the game or
Art till the readers
Buy ass long as a chainsaw

I buy them weight
But tis still feels like i'm dreamin
40. calinger my pillow cinda feel like my c-men
I fysical pressence of a female the form of a demon
that's why i fuck em and leave em get my note while im
leaving
And i thought they catch me slippin now im ducking
and drippin, thats a thousand dollar outfit wuth the
fuck is you brickin
They drippin, the record can get my ass in position
Death wish for no gorilla jim wether canie a couchen
Listen, and when trough momma bitchen in and out the
kitchen wuth probable cause is probable in and out the
prison
We got soldiers
but you still gotta respect the arts
We got more 4-5s and nines then a deck of cards

(Tony Yayo)

You can take me out the hood
But can take the hood out me
Cause im getto
Niggaz hate when you to good
But when you broke
Your friends and your enemy's
They love you
Chi-Chi get the Yayo
Picture me being crack out of ten trips on the train
Chi-Chi get the Yayo
Picture me being crack

Oh, you go

You can sniff me, cut me ill turn you to a junkie
I'm the nr. 1 cellar in the whole fucking country
Wallstreet niggaz, they caught me on a low
White boyz dont call me coke they call me blow
Its time to go on a bus the train a plane im smuggle
Im nothin but trouble Ill make ya money double
cook me in bacon soda, ill turn ya hoop-rock into a new
range-rover
Ill pay all ya bills and fill je frigerator
Feed ya familly turn ya man to a hater
You can put me in a dog-pannel or ya stash box
Put me in ya night' tims a read box
If you caught three and a halve you hustlin backwards
Cop a hundred grand you moving forwards
Im trying to move more birds, and PA all day on the
corner of third

(50 cent)

You can take me out the hood
But you can't take the hood out me
Cause im gettho
