Is Is the Unit Is Is the Unit  
Coke Life what's the matter with your clothes  
Coke Life did you put it all in your nose  
Coke Life every body can't be on top  
Coke Life call me when it's time to cop

I got 99 bottle of beer on the wall and 99 grams left to  
flips that's all  
Like toasting a stagier I'll show you how to cut this  
quick  
Double up out this bitch The D's know me  
I'm the one that got away  
Ask the homies they'll tell you about the way  
I'm a hustla I got it in my blood  
I'm still hungry I'm out to get it just because  
One Coupe One block one spot it's not enough  
Were taking over like the old heads told us yeah!

Coke Life what's the matter with your clothes  
Coke Life did you put it all in your nose  
Coke Life every body can't be on top  
Coke Life call me when it's time to cop

Listen I got that white girl on Pablo shit  
Looking like a glass of milk on my diablo bitch  
Remember packs on my ass with the doodoo brown  
stains  
Now it's rose gold rims and the doodoo brown Range  
I hear 50 giving Michel Jack money for this shows  
1.4 ask Mateo Hundred grand from me buy some Yayo  
Turn it into a mill I stretch to Yayo  
Stay in the shoot out Yay, lay low nah man my 44 blows  
Millionaire bragg it, ma I live lavige  
I kill a Nigga quick Do 20 days like Paris, Hilton  
The crystal spillon 50 chillon Yayo Chillon  
Vitamin water had us 400 million  
Coke cola bought for 4 big billion

Is Is the Unit Is Is the Unit  
Coke Life what's the matter with your clothes  
Coke Life did you put it all in your nose

Coke Life every body can't be on top  
Coke Life call me when it's time to cop

As the world's rotatin my cake gets bigger  
Rap stops selling I'm a cook this Nigga  
Blue, cooler than a Mac out the movies  
I'll pull sits back and blow the back outta groupie  
If you don't back up my boy back up the oosie  
Knock, knock nothing but brains and chop suey  
I got a queens lean and a crook-like bop  
Shit alcohol and coke took my pop, yeah nigga

Coke Life what's the matter with your clothes  
Coke Life did you put it all in your nose  
Coke Life every body can't be on top  
Coke Life call me when it's time to cop
