[50 cent:]

I think I'm a gangsta but I'm really not,  
All I ever do is pick my nose and eat my snot,  
I like to go around with tatoos and say I got shot,  
When the holes are tatoos that were glued on the spot

I AM NOT A GANGSTA  
YOU JUST A WANGSTA BITCH

I try to create an image that is fake  
Like goin to the library and eatin cake  
I don't like that shit man, it's just not me  
Cuz what I really like to do is drink my own pee

Nigger, I am  
I stupid fat lipped motherfuckin ugly ass bitch ass  
nigger  
Uh oh, here comes the KKK, I BETTER RUN!
