Ah, yeah, uh huh

Ain't it amazing how crazy the hood done made me?  
Feels like my emotions are froze  
I stay G'd up  
It's the things I done seen and the shit I been through  
That make my heart turn cold  
I stay G'd up

I'm a gangsta you find out for sure  
If you ever step on my toes  
I stay G'd up  
When I'm hangin' out that window with that AK  
Fillin' your punk ass with holes  
I stay G'd up

Cocaine, heroin, ecstasy, marijuana  
I'm mule on that Greyhound from N.Y. to the Carolina  
Paper chase, different name, same face, don't catch a  
case  
My road dog's on parole his baby girl's four years old  
We play the block, pistol cocked, you could shoot or get  
shot  
Kill you for your crack spot take everything your ass got  
Semi-automatic spray, bust back or run away  
Niggas talkin' in the hood, we'll handle this another day

In November you make my shit list if you did you can  
cancel Christmas  
I'll send you a gift niggas'll come and leave your ass  
twisted  
Them hollow tip shells burn baby burn  
See niggas get merked up, babies born and the world  
turns  
I seen it all crystal clear so I keep my pistol near  
Heart's never full of fear, homie I stay well aware  
Of what's going on around me, motherfuckers want me  
dead  
I go wit a smile on my face when it's my time kid

Ain't it amazing how crazy the hood done made me?  
Feels like my emotions are froze

I stay G'd up  
It's the things I done seen and the shit I been through  
That make my heart turn cold  
I stay G'd up

I'm a gangsta you find out for sure  
If you ever step on my toes  
I stay G'd up  
When I'm hangin' out that window with that AK  
Fillin' your punk ass with holes

Lil' niggas I done paved the way, y'all should thank 'em  
But if you think otherwise bring your boy over here so I  
can spank 'im  
I'll put an end to your career bitch  
Before you speak on 50, buy a .40 and a spare clip  
These niggas gassed up, gettin' to used to rap  
Like I won't give 'em more bloodclots than supercat  
Niggas'll snatch ya, I'm like a bat catcher  
I'll give a sign and and then throw somethin' at ya

Round here niggas die off hydro  
And even when it ain't 4th of July it sound like pyro  
You smart enough to creep then lay your dumb brains  
down  
The pound'll spin you around like the young James  
Brown  
Yeah, I know I'm hot but hey, I'm icy too  
Rocks'll hit you from a block away like a beat from Dr.  
Dre  
We're takin over this year, K's and the soldiers is here  
Everyone knows it's a scare, yeah

Ain't it amazing how crazy the hood done made me?  
Feels like my emotions are froze  
I stay G'd up  
It's the things I done seen and the shit I been through  
That make my heart turn cold  
I stay G'd up

I'm a gangsta you find out for sure  
If you ever step on my toes  
I stay G'd up  
When I'm hangin' out that window with that AK  
Fillin' your punk ass with holes

My Papa never bothered to show me what it was to be a  
man  
He'd just pop another bottle and smoke up a half a  
gram  
I would hop in my Impala and ride all through the night

They gave my homeboy life so when you do it, do it  
right  
My fingernails still filled with cocaine residue  
I still got the heart to go and bust me a head or two  
No other solution you think we hollerin' and hootin'  
Until you wake up and then you got to hear 'bout these  
shootings

I take a pull from a loose one and put the clip in my  
pocket  
Before I take another bullet I'm gonna pull it and pop it  
And if it's beef my nigga, then let your guns do your  
talkin'  
The graveyard has got plenty room for a coffin  
They say that we responsible for boostin' the crime rate  
They say that we the reason that these young niggas  
buyin' weight  
But I'm gonna keep this glock on my waist 'til my dyin'  
days  
It's nuttin' but a G thang, G-Unit and Dr. Dre

Ain't it amazing how crazy the hood done made me?  
Feels like my emotions are froze  
I stay G'd up  
It's the things I done seen and the shit I been through  
That make my heart turn cold  
I stay G'd up

I'm a gangsta you find out for sure  
If you ever step on my toes  
I stay G'd up  
When I'm hangin' out that window with that AK  
Fillin' your punk ass with holes  
I stay G'd up
