I suppose to blow, you suppose to know
Not to go against me or its R.I.P

It's easy now, please believe me now
I dismiss a hoe, bitch leave me now
I fuck when I want, I do what I like
She want the same chick I want, the bitch is a dike
She a super freak, the freak of the week
I give her something a suck, she give her something to
eat
Its never enough, she like it rough
We keep it going and we switch positions, listen

Then she drop it low, to gets the doe
I Like the Way she do it, She put her back into it
Let that ass drop, like my '64

Haters wanna be me, hoes glad to see me

Ma I love it when you lie & say my eyes are

A little head in the truck
If her tounge game good, i'ma let her come up
And when the sun goes down, I'll be back in the town
Stash box down, put the magnum down
