Won't you let me give you a hand  
I have an extra I'm not using  
Won't you let me lighten your load  
I mean after all your legs are shaking

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is me after all

Won't you let me match your stride  
I can slow down if you want to  
We can handle it side by side  
What do you say girl don't you want to

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is me after all

I'd be lying  
If I ran away  
I'd be lying  
If I ran another way

And so I'll stay

But won't you let me be your man  
I'm strong enough you know that I can  
Be the one to ease your mind  
Ease your mind

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is is me after all

I'd be lying  
If I ran another way  
I'd be lying  
If I ran another way  
And so I'll stay

Won't you let me give you a hand  
I have an extra I'm not using  
Won't you let me lighten your load  
I mean after all your legs are shaking

And I can understand  
All I need is your hand  
Oh won't you take the fall  
It is me after all  
[X2]

There's not much that you can do  
To get me to run away from you  
[X6]

I'd be lying  
If I ran away  
I'd be lying  
If I ran another away
