[Chorus]

I-I'll be the shooter  
I-I'll be the shooter  
I-I'll use the Colt, the Taurus, or the Ruger  
I'll pop some through ya  
Dirty is what I'll do ya  
I-I'll use the Sig, the pump, or the German Luger [2x]

[50 Cent]

I-I'll be the shooter

Find out shit is real when im atchu wid that thang out  
Cause all kinda commotion when a nigga get blast on  
The spot he get his cash on  
Let off with no mask on  
Pussy ya heart pumpin but ya brain gone

I stuff two different caliber shells in my revolver

Start me, I'll never stop  
I'm layin atcha momma spot  
Squeeze till the llama hot

[LLoyd Banks]

Its been deeper than rap  
I eat shit, go to sleep with my gat  
Its us three against the industry  
Lets keep it like that

Click-clack, getcha goons  
Fuck all the talkin  
Niggas yappin bout who dress the best  
Get em Gucci coffins  
When we tombstone, bullets hurt  
40s break a few bones  
Come around, ya food  
And my shawtys takin jewels home  
Follow em then hallow em  
Take two these and gaggle em  
You ride wid em you die wid em  
Chances of survival thin  
The sharks is out you divin in?  
Dare you niggas try to swim  
Theres no odds, I gotta win  
And wobble em with the whop-whop  
Shady backgrounds, you prolly with the cops  
You aint street, you needa stop  
I breathe the hood, I be the block

[Chrous]

I-I'll be the shooter  
I-I'll be the shooter  
I-I'll use the Colt, the Taurus, or the Ruger  
I'll pop some through ya  
Dirty is what I'll do ya  
I-I'll use the Sig, the pump, or the German Luger [2x]

[Tony Yayo]

Niggas wanna kill me  
I'm gettin money for God sakes  
That purple-urple fucked Phelps up with Cornflakes  
Kick in the door man, spray the 44 man  
That mortitian morg man  
Fill you with straws man  
Black President, I voted for Obama  
I voted in the hood so I voted with my llama  
Everyday is drama  
Everyday is karma  
He got shot last week  
So lets press his baby mamma  
This is home of the bolders  
Adolesence wil'in

I-I'll use the Colt, the Taurus, or the Ruger

I'll pop some through ya  
Dirty is what I'll do ya  
I-I'll use the Sig, the pump, or the German Luger [2x]
