But really aint though (no!)
Imma stormy night, you a rainbow
Imma G, tight clothes aint my thang bro
F**k the Police with an HIV carrier
No Vaseline in the M-16
I'm ridin dirty but the Bent pimp clean
And gotta body like i feed it creatine
My verse comes a diamond, my favorite color's green
I smoke lean and piss Louis the thirteen (nigga)

But legal lain lowys aint good for trial (haha)
Pull up to the projects and throw the kids 100's

N make the muzzle on the Tech look like its on fire
My shit jammed and unjammed like i planned it
Like I was jus takin a breather im back blamming
Im Charles Bronson, Dirty Harry wit the cannon
You shootin back, but u aint hittin

When shit dont go down smooth I dont panic
Switch pistol, switch hands, switch targets hit ya man
Yea, nigga im straight outta southside
