[Intro - Tony Yayo talking] *echo*
YEAH!, your rockin' wit the talk of New York
Tony Yayo, Lloyd Banks, 50 Cent
G-UNIT, and here we go!

(*Saadiq sings "you should be here," and other parts
of the song
in the background throughout the intro and most of the
song*)

[50 Cent - Singing] - (Raphael Saadiq)
You should be here wit me bitch
You should come and make me rich
Girl you know you need a pimp
Girl you know you drive me crazy (drive me crazy)
You should be here wit me bitch (ew, ew, girl)
Girl you know you drive me crazy
Bitch, (you should be here)

[Verse 1 - 50 Cent] - (Raphael Saadiq) [Tony Yayo]
Bright and early in the mornin' come up short with my
money
And for sure I'll kick your ass bitch [what you say]
(You should be here) You fuckin' with them other
niggas
But you know you love the niggas, switch to a pimp
bitch [BITCH]
(You should be here) You fit into my stable of hoes
You from Atlanta, I'm from New York, but I'm "throwin
them bows"
(You should be here) Right here next to me,
Girl I know you tired of fuckin' for free [WOO, Sing
along]

[Chorus 1 - 50 Cent] - (Raphael Saadiq) [Tony Yayo]
(You should be here)
You should be that bitch that come, everytime I call
(You should be here)
You should be down on your knees, tryin' to break me
off [uh huh, uh huh]
(You should be here)
You should be that bitch, that buy me shit all the time

(Well I wish you were here)
You should be my bottom bitch, out on the grind (you
should be here)

[Verse 2 - Lloyd Banks] - (Raphael Saadiq) [Tony Yayo]
{50 Cent}

Bust in your ass, winter, spring, or summer
I'm a winner, I'm ain't a regular nigga, ho [Lloyd Banks]
(You should be here) Runnin' wit a pro, I ain't a
beginner
Niggas know, what, you wanna percentage, no {Hell
no}
(You should be here) Walkin' the track, rain, hail, sleet,
snow
Anythin' to speed up the process of the cash flow
{gotta get that money man}
(You should be here) Catchin' a date, and breakin' ill
keep me straight
Even if you gotta take it in the ass hole {you take it in
the ass}

[Chorus 1 - 50 Cent] - (Raphael Saadiq) [Tony Yayo]
(You should be here) You should be that bitch that
come [uh huh]
Everytime I call [I told ya'll motherfuckers]
(You should be here) You should be down on your
knees

Tryin' to break me off (you should be here)
You should be that bitch, that buy me shit all the time
[Yo, 50 get on that 50 shit one time, my nigga]
You should be my bottom bitch, out on the grind

[Verse 3 - 50 Cent] - (Raphael Saadiq) [Tony Yayo]
Uh, yeah, (you should be here)
Look, I don't really need you, I get my dough, bitch
I got some Coupe's, I got some jeeps, I got some mo'
shit
(You should be here) I stay wit some hoes, cause I use
those twos [uh huh]
I keep a Benz, I keep some rims, and I stay with some
jewels
(You should be here) I'm internationally known, man
everybody know me
Way down in McNolly, they feelin' me wodie
(You should be here), but you can catch me in Houston,
with Bun and Pimp C [C]
Or in Miami, wit Luke and VIP [yeah]

[Chorus 2 - Raphael Saadiq - singing]
(You should be), you should be here with me babe

You should be here with me babe
(You should be). Girl you know you drive me crazy (sing
along)
Girl you know you drive me crazy
(You should be) You should be here with me babe (ew,
ew, girl)
(Girl I wish you were here) I just wanna drive ya babe
You should be here

[Outro - Tony Yayo - talking]
I told ya'll motherfuckers G-UNIT is takin' over this shit
man (*echo*)
(You should be here) We run the hood (*echo*)
And we run these motherfuckin' offices (*echo*)
Ya'll be willing (*echo*)
(you should be here) If ya'll hear (*echo*), the fuckin'
(*echo*)
Chase these crackers that's cuttin' us right now
(You should be here) Man you still local
I'm out the hood man (*echo), C'mon

[Chorus 2 - Raphael Saadiq - singing]
You should be), you should be here with me babe
You should be here with me babe
(You should be). Girl you know you drive me crazy (sing
along)
Girl you know you drive me crazy
(You should be) You should be here with me babe (ew,
ew, girl)
(Girl I wish you were here) I just wanna drive ya babe
You should be here
