Uh, uh, uh, what?
Yeah, I know it's not too ghetto
I know it's not too ghetto
I said, I know it's not too ghetto

You better check yourself, respect yourself
You better go for self 'cause I flow for self
(You gets no love from me)

I'll tell you why there's no love
Simply you're not cool enough
For what we had between us
Don't you know you lost my trust

People ask me where you been
And I tell them, we're just friends
'Cause it's obvious, it's never gonna work for us
Oh no, oh no, no

Played with my emotions
You'll gets no devotion, you gets no love
You can get no love from me
You can even be my friend

And you'd gets no love again
Whatever you do it
It will come back and use it
You gets no love

I'll tell you why we can't hook up
(You gets no love)
'Cause I had about enough
(You gets no love)

Hearin' all the lies you tell
(You gets no love)
Boy, I thought I knew you well
(From me)

People think I own my man
(My man)

They don't even understand
Because, just because I let you get some

Don't make it all right
We aren't even in love
You know that you played

Played with my emotions
You'll gets no devotion, you gets no love
You can get no love from me
You can even be my friend

And you'd gets no love again
Said, gets no love, gets no love
You gets no love from me

You better rock my shit
Don't knock my shit
Because I got this shit
To make you cock this shit
You gets no love from me

You better rock my shit
Don't knock my shit
Because I got this shit
To make you cock this shit

I'm the diva with thought
Everybody rap about
Check it out

Rhymes, I bust 'em
Rappers were my life
Don't discuss 'em

Boy, you had us fooled
(Had us fooled)
Boy, we had cool relationship
(Cool relationship)
But you couldn't handle it

Played with my emotions
You'll gets no devotion
Whatever you do will come back to you
You can't even be my friend

You gets no love again
Said, you gets no love from me

Played with my emotions
You'll gets no devotion

Whatever you do will come back to you
You can't even be my friend

You gets no love again
Said, you gets no love from me
