Hey hey, you wanna get fresh?
What would you say
If I kissed you right now
Would you turn and walk away
Or be asking me to stay?
What would you do
If I told you a lie?
Would you fall to your knees?
Or be begging me please?
Baby it's a matter of time
Can't you see what's on my mind?
(1) I wanna get fresh with you baby
I wanna do all the things that
Turn you on
I wanna get fresh, get a little closer
If it feels so right,
How can it be wrong tonight?

Oh baby
Yeh
If you take a look at the oman in me
I'm a natural thing and I'm wild and free
It's up to you, you can take it or leave it
My mind's made up and you better believe it
Baby we could have a good time
Just relax cos we've got tonight
(1)
Oh baby
Oh oh oh whoah oh yeah
I, I, I, wanna get, wanna get fresh
(repeat)
Baby we could have a good time
Just relax cos we've got tonight
(1) 2 X
