You're my love
You're my sweetest thing
Don't shy away
Don't shy away
Every night makes
Me hate the days
Can't get enough
Of your love
Am I wrong
Am I so unkind
Show me the way
Don't turn away
I can't hide all these
Thoughts in my mind
Every moment
I'm just thinking of you
(1)Ooh ahh, just a little bit
Ooh ahh, a little bit more
Ooh ahh, just a little bit
You know what
I'm I'm looking for
Ooh ahh, just a little bit
Ooh ahh, a little bit more
Ooh ahh, just a little bit
I'll give you love
You can't ignore
Feeling good
Let's go all the way

It's got to be
Set me free
But tonight let
My body say
Take it slow
Don't let it go
How can I prove
My love to you
Baby please
You're all I need
Like a child
But it's more than a phase
Could act the angel

But it wouldn't be true
(1)
What can you do for me
What can you do
Cause I feel so alive
I feel your love inside
Ooh!!
Just a little bit
A little bit more
Just a little bit
Just a little
Just a little bit
A little bit more
Just a little bit
Whoah whoah whoah whoah
(1) (Disregard last 2 lines)
Just a little bit
