Frosty mug to washtub robbie  
Cold ones to nancy and winnie

Yo- could I get a cold beverage  
I need some leverage  
Its sunny outside  
Some lemonade would be nice  
Or a sprite through the drive through  
At b.k. yo I'll buy girl a drink  
But girls got to pay  
On the front porch I got  
Some iced tea  
If you like a taste of tea  
Then come along with me  
Its martini time  
Yeah yeah feeling golden  
Bring your own beverage  
Just make sure it's cold

I like cold beverage

Give me frosty mug  
Filled with a&w  
If you got ice cream  
Make it a double scoop  
Milkshake at the fountain  
Really good sounding  
Chocolate egg cream

Yo, Im champ cherry pounding  
Caught a chill vibe  
Orange juice in my ride  
Wawas to the right  
They got a beverage inside  
Dig me a hot coffee  
Fill it up with ice  
Watermelons like drink  
Please fix me a large slice  
Summertime is cool the heat is getting old  
Yeah I'll get a beverage  
Just make sure it's cold

I like cold beverage

When Im fishing  
Lets keep one thing clear  
The baits over there  
The brews right here  
Two six packs and a big bag of ice  
Didn't even catch a bite  
But the brew tasted nice  
Back to the bar  
Strawberry daiquiris and a colada  
I need a whole lotta them  
Fruit drinks to catch me a buzz  
I must tell you Im the  
Cool aid kid  
Before you serve my drink  
Please stick it in the fridge

I like cold beverage
