Yo- could I get a cold beverage
I need some leverage
It's sunny outside
Some lemonade would be nice
Or a sprite through the drive through
At B.K. Yo I'll buy girl a drink
But girls got to pay
On the front porch i got
Some iced tea
If you like a taste of tea
Then come along with me
Summertime is steamin',
Don't give me no (unintelligible)
Grab some ice and a dash of vermouth
It's martini time
Yeah yeah feeling golden
Bring your own beverage
Just make sure it's cold

I like cold beverage, yeah (3x)
Uh, huh

Give me frosty mug
Filled with A&W
If you got ice cream
Make it a double scoop
Milkshake at the fountain
Really good sounding
Chocolate egg cream
Yo, I'm champ cherry pounding

Caught a chill vibe
Orange juice in my ride
Wawa's to the right
They got beverage inside
Dig me a hot coffee
Fill it up with ice
Watermelons like drink
Please fix me a large slice
Summertime is cool the heat is getting old
Yeah I'll have a beverage

Just make sure it's cold

Cold, cold, cold, cold...

I like cold beverage, yeah (3x)
'Cuz I'm feelin' kinda thirsty

Stick it in the fridge, stick it in the fridge,
stick it in the fridge, stick it in the fridge (2x)

Go girl work the cold one (4x)

Yo, when I'm fishing
Let's keep one thing clear
The baits over there
The brews right here
Two six packs and a big bag of ice
Didn't even catch a bite
But the brew tasted nice
Back to the bar
Strawberry daiquiris and a colada
I need a whole lotta them
Fruit drinks to catch me a buzz
I must tell you I'm the
Cool Aid kid
Before you serve my drink
Please stick it in the fridge

I like cold beverage, yeah
