I'm your garbage man  
Coming down the street  
Kick your can, kick your can  
Better get your butt down on the curb  
And say hey to me  
I'm by the liquor store  
Giving you the eye  
When you walk by  
I'm on the subway line  
I'm in the coffee shop  
Eating toast and eggs  
chorus:  
I never beg baby  
I never get down on my knees  
I'm gonna get you just the same  
Girl you had me gone long gone  
Lost in your eyes  
Cost in my pride  
Now I got you calling me speaking me seeking me  
sexing me  
What happened to my freedom  
You need me like the air  
You drink me like the water  
Sort of funny I'm your daddy  
You ain't my daughter  
First you said you needed sapce  
Then please leave my place

Every other day or so  
Just get from my face  
A taste of wet I got and got  
I'll bet that woman tried to play me  
The girl had much game I can't get with that  
She paid her price to play  
But Imma freak one moves  
With a sure aim  
I'll get you just the same  
chorus  
I'm gonna get you undressed  
Your mind ain't gonna rest  
I'm the best I'm the best  
Forget about that man I'm your one

Son of none  
Imma move you Imma bruise you  
Gonna make you love me  
Then Imma lose you  
chorus  
You'll be mine  
You'll be mine  
You'll be mine
