[Chorus: ]

Grandmother  
I know you've seen it all  
Grandmother  
I know you've seen it all

I ain't nothing like the taste  
Of a sweet, sweet blueberry pie  
Tears are falling from my eyes  
Wipe 'em away child  
Don't you cry

[Chorus: ]

Jars for the tadpoles and frogs from lake  
Mind your manners, at the table  
Won't you wash up for heaven's sake

And I know that you're gone  
But I feel I can read in my mind  
And I know I was lost  
But then surly you showed me a sign

Show me, show me  
Show me, show me  
Show me, show me  
A sign

[Chorus: ]

And if you skinned your knee  
Sit down by the fireside bright  
Hold your grandma's loving hands  
Everything going to be alright

And I know that you're gone  
But I feel I can read in my mind  
And I know I was lost  
But then surly you showed me a sign

Show me, show me  
Show me, show me

Show me, show me  
A sign

[Chorus: ]
