Katman

65 25 Parkline Drive

And like always I'm kicking it live

Gotta call the fellas to see if they is with this

Gonna get down with the sounds of big breakfast

Start off the day with some Bob Marley

Back to the woods for that fresh parley

Maybe even spark a little Nicki J

Then its off to center city in the fastest way

But if you gotta get downtown real quick

Then the only way to go is I-76

Unless of course you wanna take the scenic view

Then the East or West River Drive is just right for you

But if you ain't got no time to lose

Put the pedal to the medal for that voyage cruise

So get on down to I-76

Cause in 1996 there ain't no tricks in the mix

G-Love

Back in 1982

Man, it was real cool

and in school

If we got good grades

Like straight up A's

Our parents would take us to a 76ers game

I got my game and there aint no shame

Big shots for Mo Cheeks

And Moses Malone

Julius Erving called Philly his home

Bobby Jones, Daryl Dawkins

Andrew Toney sinking threes

Rocky Balboa comes from South Philly

So if you want to make it on time to the show

There's only one route that you really have to know

Get to Fishtown without all that jive

I suggest that you drive on I-95

Wanna get downtown but feeling in a fix

Get on that route they call 676

The most expensive expansive piece of interstate they
ever made

The fellas ain't famous but they got good game

Get along 76ers

Charles Barkley dissed Larry Bird

Get along 76ers
