1- here i sit in my bed,
all alone-thoughts in my head,
without you in my arms.

2- when i look at your face,
i know there's gonna be a race,
to get you in my arms.

Chorus- and i can't live with you,
can't live without you.
i can't live with you,
can't live without you.

3- when i am in your prescence,
i feel as though i am in heaven,
with you in my arms.

4- though i see you everyday,
unfortunately i can't think of things to say,
without you in my arms.

Chorus- and i can't live with you,
can't live without you.
can't live with you,
can't live without you.
