On the green grass
And a blue sky
Peace and sunshine
Peace and sunshine
Soon,
Soon I'm going bye ? ? ?
Now I just want ? ? ? city
Lookin' for the park
Lying down in the park
Lying down in the park
Yeah yeah yeah
See the momma
Down walking the dogs
Down by the fountains
Down by the fountains
Child, child
Eating sandwich and sweets
And your sitting by my fountain
Cooling my feet
In the park
Just before dark
Birds sing so smooth
But the park shut soon
What we going to do
Fine we gonna have to move
But I'll see you tomorrow
Lying down in the park
Lying down in the park
Lying down in the park
Yeah yeah yeah
Feel the warm breeze
Cool by ? ? ?

Seen my good friend
Seen my good friend
So, so
In the afternoon
And we take us for your city ? ? ?
Lookin' for the park
Lying down in the park
Lying down in the park
Lying down in the park baby

See that young girl
There she goes man
See that rich bum
The old men playing chess
See that young girl
With that flower dress
See that young girl
With the flower dress
Well soon I'm going bye
Now I just might move on
Looking for the park
Lying down in the park
Lying down in the park
Lying down in the park baby
I'll be there
I'll meet you there
Oh baby
Yeah
