When that moon comes shining through them clouds
Don't you know that I'm missing my baby
Yeah Yeah

I know I've been gone a long time
And you sure do miss your man
Baby I can understand
You being mad cause I've been gone so long
I wanna tell you baby
Hold on-baby hold on

Listen Girl

If you wanna find another man while I'm gone
I'm gonna tell you know
Hold on-baby hold on
My love is coming on strong
You won't have to wait too long
Cause I'm on my way back home

Don't you know that I'm missing my baby
Yeah, Yeah
Missing my baby
Missing my baby
Yeah, Yeah

You know you make me feel higher
When you call me on the telephone wire
And you say my name
Please don't play these foolish games
Cause I'm standing down here by the pay phone

In the pouring rain
And I'm runnin out of change

And I'm missing my baby
Yeah, Yeah
I mean to tell ya that I'm missing my baby

If you wanna find another man while I'm gone
I'm gonna tell you now

Hold on-babby hold on
My love is coming on strong

You won't have to wait too long
Cause I'm on my way back home

Don't you know that I'm missin my baby

Lay it on Baby
Coming back to you girl
Here I come baby
Here I come

If you wanna find another man while I'm gone
I'm gonna tell you now
Hold on-baby hold on
My love is coming on strong
You won't have to wait too long
Cause I'm on my way back home

Missing my Baby
Yeah, yeah
Missing my Baby
