

## **G. Love & Special Sauce "Rodeo Clowns"**

Visit "[Rodeo Clowns](#)" on MotoLyrics.com

Come on  
Sweepin' the floors  
Open up the doors yeah  
Turn on the lights  
Gettin' ready for the night  
Nobody's romancin'  
Cause it's too early for dancin'  
But here comes the music

Bright lights flashin'  
To cover of your liquor  
So many people, so many powers,  
So many reasons to buy another round drink it down  
Just another night on the town  
With the big man, money man better than the other  
man  
He got the plan with the million dollars  
Give a damn but  
When nobody understands  
He'll become a smaller man  
The bright lights keep flashing  
Man the women keep on dancin'

With the clowns yeah, yeah, yeah  
Pick me up when I'm down yeah, yeah  
Rodeo clowns yeah, yeah, yeah  
Pick me up when I'm down

The disco ball spinning  
All the music and the women  
And the shots of tequila  
Man they'll say that they need ya  
But what they really need  
Is just a little room to breathe  
Teeny bopping disco queen  
She barely understands her dreams  
Of belly button rings  
And other kinds of things  
Symbolic of change  
But the thing that is strange  
Is that changes occurred

And now she's just a part of the herd yeah, yeah, yeah  
Man I thought that you heard yeah, yeah  
The changes occur yeah, yeah, yeah  
She's just a part of the herd yeah, yeah

Lights out shut down  
Late night wet ground  
You walk by, look at him but he can't look at you yeah  
You might feel pity but he only feels the ground  
because  
You understand moods  
But he only knows let down  
By the corner there's another one  
Reaching out a hand  
Coming from a broken man  
Well you try to live  
But he's done trying  
Not dead but definitely dying

With the rest of the clowns yeah, yeah, yeah  
Pick me up when I'm down yeah, yeah  
Rodeo clowns yeah, yeah  
Pick me up when I'm down

Sweeping the floors  
Open up the doors yeah  
Turn on the lights  
Getting ready for the night  
Nobody's romancing 'cause it's too early for dancin'  
But here comes the music
