Tomorrow night I'm goin' home
Tomorrow night I'm goin' home
Goin' to see my friends and my family
My dog my old brown ? ? ?
Thats an ice ? ? ? cool for
Good stuff down on the south side
They keep me flowin'
Good times is goin' smiling and rolling
I gots to run into my old time used to be
Used to be with me
Gonna catch my love on this weekend
If she's still speakin' to me
Come'on jenny lee
Gotta get you into my ride
Gonna drive all over the city tonight
Checkin' down by the river
Two tired to go ? ? ?
Yeah, tomorrow night I'm goin' home
Well tomorrow night I'm goin' home

Welcome home boy
Well how you been
Its good to see you
Hello friend
You've got a fine car
And some cool threads
Its good to see you
Well hello friend
I had to leave my home and get out
I've been all around town to town
Room to room
Moon to moon
Found my groove ? ? ?

Smooth as I should be but there's time changing
Then I ? ? ? myself
Watch out every door is on my trail ? ? ?
Comin' down like hail
I lose 'em now
I'm homeward bound
I've seen the past flash in my eye
Days like clouds in the sky

Talk about the days
Will listen but I can't hear
Yesterday yesterday

Ready for some cookin'
Mom's fixin' chicken
Strawberry rhubarb crisp
Its good like this
Later on I gots ta go see the catman
My boy ? ? ?
I don't know got some new girl
Every time we speak
Freaks glazed in the heat
Coolin' on second with the wet green sneaks
And this course ? ? ?
Feelin' nice
I'm goin' home
I'm goin' home
Yeah, tomorrow night, I'm goin' home
Oh, tomorrow night, I'm goin' home
Yeah, I'm goin' home
