Wait hold on what? you heard something that I?

Everytime that we're togetherÂ
They be tryin' & try'n to separate us
But you say you lie whatever Â
For your my girl foreverÂ
Cause I stand you, & you stand meÂ

& ever since you been in my life you been on my mind,
my mind, my mind. (I love you girl) Â
Cause your my candy Dreeaaaam
Your my candy dreeaaaamÂ
Your my, your my, your my everything. girl your my
candy dream Â
Your my candy dreaaam & ever since Â you been in my
life you been on my mind, my mind, my mind.

Her skin malado, like if she was a modelÂ
Cool like that attitude, no dramaÂ
And she got mood swings but that aint a problem
atleast she aint fake front row at the oscars and she
understand that the haters come often so when we
together we be nonchalant flossin wait umm yeah I
hear em talkin unless they want a pay per veiw let em
keep watching & the phone bout to die so I'm on my
way over there. oh yo crop nappy? well my mama do

Cause your my candy Dreeaaaam
Your my candy dreeaaaamÂ
Your my, your my, your my everything. girl your my

Your my candy dreaaam & ever since Â you been in my
life you been on my mind, my mind, my mind.

Like fuck it, I remember when we first met you had the

rocaware jeans & the baby phat sweater now you all
botuiqued up, put the sneaks up & stepped up on the
heels but you still can't say no. why you got that
makeup on? you don't need that & even though you
beautiful I'll repeat that, shit in my world your the
sweetest thing that's why I love you like a vending
machineÂ

Cause your my starburstÂ
Your my skittlesÂ
Your my hershy bar girlÂ
Your my snicker
You so sweet to me & you don't know what you mean to
meÂ
Girl your my everything and soon enough you'll have a
wedding ring
Girl,

Everytime that we're togetherÂ
They be tryin' & try'n to separate us
But you say you lie whatever Â
For your my girl foreverÂ
Cause I stand you, & you stand meÂ

& ever since you been in my life you been on my mind,
my mind, my mind. Â Â
Cause your my candy Dreeaaaam
Your my candy dreeaaaamÂ
Your my, your my, your my everything. girl your my
candy dream Â
Your my candy dreaaam & ever since Â you been in my
life you been on my mind, my mind, my mind.
