I could lie here for a day  
Tongue tied and out classed  
Never missing their world  
That used to be my life

And I can't remember  
What it was  
That I always wanted  
But it should have always  
Should have always  
Should have always been

This rhyme and reason  
Not withstanding  
Folded into beauty  
And if I hold this here forever  
I will never drown

And when I loose my ground  
I can always remember  
This is my reason  
This is my reason  
You are my reason to stay

This rhyme and reason  
Not withstanding  
Folded into beauty  
And if I hold this here forever  
I will never drown

I have shed this dry hard shell  
Traded its comfort for your eyes  
Played with denial  
And then denied my own defenses

It's no longer a part of me  
These questions, insecurities  
You will always be  
You will always be  
The most magnificent creation  
Creation, creation, creation, creation
