[Chorus]

Girl, I think about it every night, and day  
I'm addicted, want to jump inside your love  
I wouldn't want to have it any other way  
I'm addicted and I just can't get enough  
I just can't get enough (4x)

Honey got her sexy on steamin  
She give the hotness a new meaning  
Perfection, mami you gleaming  
Inception, you got a brother dreaming, dreaming  
Damn baby I'm fiending  
I'm trying to holla at you I'm screaming  
Let me love you down this evening

Lovie lovie yeah you know you are my demon

Girl, work it for a team and  
I could be the King, you could be the Queen and  
My mind's dirty and it don't need cleaning  
I love you long time so you know the meanin

Oh baby I can't come down, so please come help me  
out  
You got me feelin high and I can't step off the cloud  
And I just can't get enough

[Chorus]

I'm addicted, want to jump inside your love  
I wouldn't want to have it any other way

Honey got me runnin like I'm Flo Jo  
Signed her name on my heart with an XO  
Love so sweet got me vexed though  
I wanna wish it right back like Presto, yes  
Meantime I wait for the next time  
She come around for a toast to the best time  
We LOL back and forth on the text line

She got me fishin for her love, I confess I'm...  
Something about her smile and the convo  
Got me high and I ain't comin down yo  
My heart's pumping out louder than electro  
She got me feeling like MR. ROBOTO

Oh baby I can't come down, so please come help me  
out  
You got me feeling high and I can't step off the cloud  
And I just can't get enough  
I just can't get enough

[Chorus]  
Girl, I think about it every night, and day  
I'm addicted, want to jump inside your love  
I wouldn't want to have it any other way  
I'm addicted and I just can't get enough  
I just can't get enough (4x)

I just can't get enough (3x)
