# Boy Sets Fire
# "Only Girl In The World"

I'm gonna love you
When the time is right
Be thinking of you
Every day and every night
To think you're somewhere in this world
And someday I will make you my wife
So everyday we're not together
I hope you know that you'll be alright
Cause I...

I'm gonna make you feel like you're the only girl in the world
Like you're the only one that I'll ever love
Like you're the only one who knows my heart
Oh
Like you're the only one that's in command
Cause you're the only one who understands
How to make me feel like a man

And when you're lonely
I keep you company
Like this world was only
Made for you and me
And when it doesn't feel right with another
I hope you believe
That in a world with no light
I will be all that you need

I'm gonna make you feel like you're the only girl in the
world
Like you're the only one that I'll ever love
Like you're the only one who knows my heart
Oh
Like you're the only one that's in command
Cause you're the only one who understands
How to make me feel like man

Da da da da
Da da da da

Woah-oh

I'm gonna make you feel like you're the only girl in the
world
Like you're the only one that I'll ever love
Like you're the only one who knows my heart
Oh
Like you're the only one that's in command
Cause you're the only one who understands
How to make me feel like a man

Da da da da
Da da da da
Oh-oh
