I can take the rain on the roof of this empty house, that
don't bother me
I can take a few tears now and then and just let them
out
I'm not afraid to cry
Every once in a while even though goin on with you
gone still upsets me
There are days
Every now and again I pretend I'm okay but that's not
what gets me

What hurts the most, was being so close
And having so much to say
And watchin you walk away
Never knowing, what could have been
And not seein that lovin you
Is what I was tryin to do

It's hard to deal with the pain of losing you everywhere
I go
But I'm doin it
It's hard to force that smile when I see our old friends
and I'm alone
Still harder gettin up, gettin dressed, livin with this
regret

But I know if I could do it over
I would trade, give away all the words that I saved in
my heart that I left unspoken

What hurts the most, is being so close
And having so much to say
And watchin you walk away
Never knowing, what could have been
And not seein that lovin you
Is what I was tryin to do

What hurts the most, was being so close
And having so much to say
And watchin you walk away
And never knowing, what could have been

And not seein that lovin you
Is what I was tryin to do

Not seein that lovin you
That's what I was tryin to do
