I know the secrets
All they're intended to me
I'm always dancing
On between those memories

I'm never lonely
Everyday they talk to me
You'd be surprised
At all the things they said to me

Always dancing
(Dancing)
Never breaking
(Breaking)
All this new things
(New things)
It's amazing
This new world
That's all about

Living in a ROM
In between all this data
Living in a ROM
All the switches are mine
Living in a ROM
All the secrets for later
Living in a ROM
It's my kingdom, my kingdom
My love...

I'm here along now
It's all computers here
They come and ask me
All the things they want to know

I'd like to ask you
Would you like to visit me
Then I can show you
Just what fun this game can be

Always dancing
(Dancing)

Never breaking
(Breaking)
All this new things
(New things)
It's amazing
This new world
That's all about

Living in a ROM
In between all this data
Living in a ROM
All the switches are mine
Living in a ROM
All the secrets for later
Living in a ROM
It's my kingdom, my kingdom
My love...
