the moonlight dances among the trees  
the campfire glows in the autumn breeze  
and i am lost in my thoughts of you  
remember me,recuerdame  
my comrade strums on a sad guitar  
my mind is drifting to where you are  
im holding you like i used to do  
remember me,recuerdame, mi amor!  
so long ago,so far away each night i pray  
"volverÃ¡ fÃ¡ Ã¡ in los dias pasados"  
i promise you that come what may  
those days will stay ever in my memory  
in all this world i could never find the love that i had to  
leave behind

but duty calls,so whate'er befalls  
remember me, recuerdame, mi amor!  
God only knows what tomorrow brings  
you're in my heart so my spirit sings  
and i'll be strong just as long as you remember me  
recuerdame, mi amor!
