We have... the chance to turn the pages over.  
We can write what we want to write  
We gotta make ends meet before we get much older.

We're all someones daughter,  
We're all someones son.  
How long can we look at each other,  
Down the barrel of a gun?

You're the voice, try and understand it.  
Make noise and make it clear,  
Woaaaaaaaah, Woaaaaaaaah.  
We're not gonna sit in silence,  
We're not goinna live with fear,  
Woaaaaaaaah, Woaaaaaaaah.

This time... We know we all can stand together.  
With the power to be powerful,  
Believeing we can make it better.

We're all someones daughter,  
We're all someones son.  
How long can we look at each other,  
Down the barrel of a gun?

You're the voice, try and understand it.

Make noise and make it clear,  
Woaaaaaaaah, Woaaaaaaaah.  
We're not gonna sit in silence,  
We're not goinna live with fear,  
Woaaaaaaaah, Woaaaaaaaah.  
(repeat, instrumental)

We're all someones daughter,  
We're all someones son.  
How long can we look at each other,  
Down the barrel of a gun?

You're the voice, try and understand it.  
Make noise and make it clear,  
Woaaaaaaaah, Woaaaaaaaah.

We're not goinna live with fear,  
Woaaaaaaaah, Woaaaaaaaah.  
(repeat until end)
