Verse.1:

This is all about the story of my life
It starts when I meet her
There is something in her eyes
The way she looks at me
Melts my heart and stops the time
The way I feel that day
Is something I can't find

Ref.:

When I sleep at night
I'm thinking of her smile...

Cho.:

Dreaming is all I can do
To be with you
To hold you in my arms
When I close my eyes
I start to realize
That you...
Are my only one.

Ver.2:

The saddest day was when you walk out of my life
I don't know what to do
So I knelt down and cry
I started wishing just to be with you again
But I'm not expecting that I'll be happy at the end.

Ref.2:

All I said is true
My life is nothing without you...

Cho.2:

Dreaming is all I can do
To be with you
To hold you in my arms
And I hope tonight
There'll be no more goodbyes
Put this in your mind
I'll be yours till the end of time

Coz you...
Are my only one

You are
My only one...
