

Boys Night Out "Swift And Unforgiving"

Oh, a winter river flows,
Icy in the veins of all of us.
This flood will run red.

We're outwardly composed,
And awkwardly arranged of blood and dust.
This flood will run red.

A deluge swift and unforgiving.
A Tidal Wave.

We all drown, We all drown, We all drown
Down, Down, Down

God Damn these fragile lungs.
And God forgive us,
Pray this levy holds.

This Flood Will Run Red.

We're washing under toe.
Overwhelmed by currents carrying a sound.
This flood will run red.

A deluge swift and unforgiving.
A Tidal Wave.

We all drown, We all drown, We all drown
(Loose Lips Are Sinking Ships)
We all drown, We all drown, We all drown
Down, Down, Down

We all drown, We all drown, We all drown
(Loose Lips Are Sinking Ships)
We all drown, We all drown, We all drown
Down, Down, Down, Down, Down

We all drown, We all drown, We all drown
Down, Down, Down
We all drown, We all drown, We all drown
Down, Down, Down
