i read through the list.  
it made it seem easier to make the choices choices  
make to stay half-way sane.  
but, when i walked through the room, i must have been  
lazier  
because i gave up looking and sat down again.

maybe i was caught up in the dance or in the drink, but  
get this through your skull  
don't get caught up in me.  
you'll get another chance...or another breath, but get  
this through your skull  
you've never met me.  
come on. let's go.  
you don't want to know what i know...  
and if you make it home alright,  
your luck runs out the next night.  
come on. let's go.  
here's to hoping for a bright tomorrow...  
but when they find the pieces,  
they'll never know the reasons

([Screaming:] because i cut the faces out of  
photographs...and traces of your life will turn up  
traceless with your death deprived of stasis)  
so sleep secure...and rest assured that you're beautiful  
...with trigger pulled

maybe i was caught up in the dance or in the drink, but  
get this through your skull  
don't get caught up in me.  
you'll get another chance...or another breath, but get  
this through your skull  
you've never met me.  
come on. let's go.  
you don't want to know what i know...  
and if you make it home alright,  
your luck runs out the next night.  
come on. let's go.

here's to hoping for a bright tomorrow...  
but when they find the pieces,  
they'll never know the reasons

tonight i've seen so many drinks i think my brain is  
playing tricks on me.  
you've been the constant. constantly connecting me to  
everything.  
so...thank you for the visions: three incisions; bullet  
blasted backs.  
i'm back - this tangent took me and you're the one who  
gets one more night of peace.
