as i read through the list
it made it seem easier
to make the choices choices make
to stay half-way sane.
but, when i walked through the room,
i must have been lazier
because i gave up looking and sat down again.

maybe i was caught up in the dance or in the drink,
but get this through your skull
don't get caught up in me.
maybe you'll get another chance or another breathe,
but get this through your skull. you never met me.

come on. let's go. you don't want to know what i know
if you make it home alright, your luck runs out the next
night.
come on. let's go. here's hoping for a bright tomorrow.
when they find the pieces, they'll still never know the
reasons.

i cut the faces out of photographs
so traces of your life will turn up traceless
with your death deprived of stasis.
so sleep secure...and rest assured you're beautiful
with trigger pulled.

maybe i was caught up in the dance or in the drink,
but get this through your skull
don't get caught up in me.
maybe you'll get another chance or another breathe,
but get this through your skull. you never met me.

come on. let's go. you don't want to know what i know
if you make it home alright, your luck runs out the next
night.
come on. let's go. here's hoping for a bright tomorrow.
when they find the pieces, they'll still never know the
reasons.

i cut the faces out of photographs

so traces of your life will turn up traceless
with your death deprived of stasis.
so sleep secure...and rest assured woah

tonight i've seen so many drinks
i think my brain is playing tricks on me.
you've been the constant. constantly
connecting me to everything.

so, thank you for the visions: three incisions;
bullet blasted backs. i'm back - this tangent took me
and you're the one who gets one more night of peace.
