yeah yeah
hey
shapely,dazzling,classy,sassy
I'm coming close but no cigar
oh I can't seem to find a word
that sums up what you are
searching far and wide to find a word for what I see
but I keep coming back empty handed nothings good
enough for you to me

Dictionary how come I can't find
any words inside you that apply
none of these words seem to catch my eye
need a new word for her
we need a new word for her

Smart and charming its alarming
just how disarming she could be
I'm a bit concerned with lack the W.O.R.D
your my favorite question
and the answer to my dreams
I am not a writer but

I fear that I may have to be
(yeah)

Dictionary how come i can't find
any word inside you that apply
none of these words seem to catch my eye
we need a new word for her

you enter you
well i googled you it ain't helping
girl I thought i knew but i didn't
somebody please
we need a words inventor intestor
somebody get me the number to Webster right now
(right now)

Dictionary how come I can't find
any words inside you that apply
none of these words seem to catch my eye

we need a new word for her
we need a new word for her (yeah)
