Now that she's back in the atmosphere
With drops of Jupiter in her hair, hey, hey
She acts like summer and walks like rain
Reminds me that there's time to change, hey, hey
Since the return from her stay on the moon
She listens like spring and talks like June, hey, hey

(Chorus)

Tell me, did you sail across the sun
Did you make it to the Milky Way
To see the lights all faded
And that heaven is overrated
Tell me, did you fall for a shooting star
One without a permanent scar
And did you miss me while you were looking for
yourself, out there
