"If Only"

Visit "[If Only](#)" on MotoLyrics.com

Four a.m.
I'm looking at myself
And the reflection of the clock on top
My shelf
Here it comes, I'm still awake and I can
Feel the sun
Shining through the trees to shine on me,
But don't shine on me...

So maybe if I close my eyes,
Maybe then I could see you smilin'
I'll be dreamin of good times
Cuz' I'm sure it'll stop the crying
If only you'd come back to me,
Maybe then I could stop this lying to myself

All these sounds,
Sometimes silence can be so damn loud
Baby girl if I could have my choice,
I'd only hear your voice
Feel you breathe and feel the earth move
When your touchin' me
So many things I wish that I could do...
With you.

So maybe if I close my eyes,
Maybe then I could see you smilin'
I'll be dreamin of good times
Cuz' I'm sure it'll stop the crying
If only you'd come back to me,
Maybe then I could stop this lying to myself

And all the megapixels in this world
They couldn't capture what you mean to me girl...
If a picture's worth a thousand words
A million pictures couldn't speak for her.
Lalalalalalalala...

So maybe if I close my eyes,
Maybe then I could see you smilin'
I'll be dreamin of good times

Cuz' I'm sure it'll stop the crying
If only you'd come back to me,
Maybe then I could stop this lying to myself
