I keep telling you that i know how to fix a heart that's  
broken  
But you keep telling me its no use.

I try to explain what I'm feeling in my hearts what's in  
my soul, yeah  
But you keep telling me its no use.

It's no use

Look in to my eyes and tell me if you really think I'd hurt  
you  
But you keep telling me its no use.

And I'll keep holding on till there ain't nothing left that i  
can cling to  
But you keep telling me its no use.

I know they hurt you. Yes, they were wrong.  
But baby we could do this cause our love is strong  
stronger than you think it is  
It's of use.

Mental and physical attraction baby who know just what  
could happen  
But you keep telling me its no use.

But baby you keep,  
Keeping me hanging on the words your just not saying  
But you keep telling me its no use.

I know they hurt you. Yes, they were wrong.  
But baby we could do this cause our love is strong  
Stronger than you think it is  
It's of use.

If you decide to take a chance.  
My loving i could prove you wrong  
Show you that your life could change on any given day  
This ain't no rock or a hard place  
Won't leave you lonely or let you heart break

Break the mold and take a chance with me
