One touch and I'm hooked and I am drowning
One look and I'm lost inside your eyes
Excuse me, I don't mean to be staring
But I've forgotten all my lines

I was gonna say, "Hey, you're looking fine today
Not that I've only noticed now."
I was gonna say, "Hey, you think there is a way
That I could get you to stay for a while."

For a little while...

I'm trying articulate and failing
My words just aren't cooperating
"Breathe deeply," I'm trying to tell myself, but
My heart won't slow 'cause of you

I was gonna say, "Hey, you're looking fine today
Not that I've only noticed now."
I was gonna say, "Hey, you think there is a way
That I could get you to stay."

I tried it once or twice, not looking in your eyes
But that's impossible, baby
This feeling's so brand new, I wanna speak to you, but
I was never good at impromptu

I was gonna say, "Hey, you're looking fine today
Not that I've only noticed now."
I was gonna say, "Hey, you think there is a way
That I could, that I could, that I could..."

I was gonna say, "Hey, you're looking fine today
Not that I've only noticed now."
I was gonna say, "Hey, you think there is a way
That I could, that I could, that I could get you to stay."

Hey, hey

Not that I've only noticed now
I was gonna say, "Hey, you think there is a way
That I could get, that I could, that I could..."

I was gonna say, "Hey, you're looking fine today
Not that I've only noticed now."
I was gonna say, "Hey, you think there is a way
That I could get you to stay for a while."
