Is it my fault I can't speak
Or that my body becomes weak
Or that I can hardly breathe
At the very thought of you

Nothin' ever really got to me
I could always turn the other cheek
Could it be those days are gone?
I could've sworn that I was strong

Or at least stronger than these emotions
That are takin' over me
I swear I'm stronger than these emotions
But they're takin' over me

No no no, this can't be it
The less you are the less she is
No no no, I can usually handle this
Wasn't ready for these

Wasn't ready for these emotions
That are takin' over me
I swear I'm stronger than these emotions
But they're takin' over me

You're the silence in a roaring crowd
You're the equivalent of a fluffy cloud
A genie in a bottle
Make a wish the wish the wishes will never end, never
end
You're the platinum in my treasure chest
You're the answer I never woulda guessed
In my love life test
And I don't mind at all, I don't mind at all

Well these emotions
That are takin' over me
I swear that I'm stronger than these emotions
But they're takin' over me

Ooooh
La la la la da da da la la

La la la la
Yeahh
