I fell so hard
You look at me that far
I part gotta make a move
cuz I want to be more than just a friend

You say that you want
somebody who can hold your heart
we can take it slower
cuz i want to more than just a friend

I can be romantic
anything you wanted in a man
girl I keep you guessing
just give me a chance

girl you know that it'll never be enough
until you give me all your love
girl you're the only one
who's worth the push to shove
gotta be more than just a friend
girl it'll never be enough
until you give me all your love
girl I'm the only one
that met the measure of
gotta be more than just a friend

You turn and I stare
there's something about your smile baby
your hair
just tell me where to be girl
I'm there
gotta be more than just a friend

Cuz you're the half to my heart
I'm Mr. A-Z baby
I'm Yours
You're such a mistery and I want
to be more than just a friend

I can be romantic
anything you wanted in a man

girl I keep you guessing
just give me a chance

girl you know that it'll never be enough
until you give me all your love
girl you're the only one
who's worth the push to shove
gotta be more than just a friend
girl it'll never be enough
until you give me all your love
girl I'm the only one
that met the measure of
gotta be more than just a friend
