I remember the first time  
It's always playing in my mind  
I've never felt like this before  
No no no no

And every time that you kiss me  
Feels like I'm having a sweet dream  
And I'mma never feel the way I do with anyone else

My pulse is racing  
When I see your face and  
Here is what you're doing to me  
[Chorus]  
When you  
When you say  
You love  
Love me  
I can feel my heart  
Beat beat  
Race behind my chest

Every time is the first time  
So I pretend it's the last time  
That I'mma ever hear you say those words  
Three little words

I wanna hold you forever  
I promise that I ain't never  
Never ever gonna let you go  
I want you to know

My pulse is racing  
When I see your face and  
Here is what you're doing to me

[Chrous]

If ever you question my feelings  
Place your hand on my heart, you'll feel it's beating for  
you  
Cuz he knows, he knew before I did  
I'm not scared, I'm tired of hiding

I know that it's you because

[Chorus]
