Hey, little blue, you're alone tonight,
There's no one here to make it alright, oh no,
Are you gonna be okay this time?
Yes, you're gonna be fine.
I swear that everything's gonna be fine.

Hey, little blue, things are changing now,
You don't know how things got strange, oh no,
Oh, how is it gonna be okay this time?
Yes, it's gonna be fine,
I know that everything's gonna be fine.

Sometimes looking ahead without a cannonball is hard,
When you feel the world has dealt you all the wrong
cards,
Yeah, I know,
I know,
I know.

Hey, little blue, you're alone tonight,
For the first time in a while you're leaving on the light,
Oh, babe, are you gonna be okay this time?

Yes, you're gonna be fine,
I swear that everything's gonna be fine.

Sometimes looking ahead without a cannonball is hard,
When you feel the world has dealt you all the wrong
cards,
Yeah, I know,
I know,
I know.

Hey, little blue, you're alone tonight,
There's no one here to make it alright, oh no,
Are you gonna be okay this time?
Yes, you're gonna be fine.
I swear that everything's gonna be fine.

Are you gonna be okay this time?
Yes, you're gonna be fine.
I swear that everything's gonna be fine,

I know that everything's gonna be fine,
I promise everything's gonna be fine
