You're simply the most wonderful
you're simply the most incredible
you leave the rest behind
you're one of a kind
you're simply the most beautiful

and this time in the sunday summertime is when
you're mine
and I'm really feeling feelings and I like feeling this
fine

sunday summertime
sunday summertime

you're simply the most humorous
you're simply the most fun to kiss
so i must confess you're by far the best
each moment with you is always bliss

and this time in the sunday summertime is when
you're mine
and I'm really feeling feelings and I like feeling this
fine
sunday summertime
sunday summertime

oh, to be in love
oh, to be in love

you leave the rest behind
you're one of a kind
so i must confess
you're by far the best

and this time in the sunday summertime is when
you're mine
and I'm really feeling feelings and I like feeling this
fine

sunday summertime
sunday summertime

and this time in the sunday summertime is when
you' re mine
and I' m really feeling feelings and I like feeling this
fine

sunday summertime
sunday summertime
